

Virginia Coyle

Junior Front-End Developer

+1-322-454-5251 Email linkedin.com Seattle, WA

SUMMARY

Entry-level front-end developer with 4 years of experience in maintaining and building web pages. Seeking for new opportunities and challenges that will expand my skill set. Most proud of FreeSlots - an online service I developed in my senior year that lets freelancers and students know which coffee shops have vacant tables.

EDUCATION

B.S. Computer Science

University of Washington

2013 - 2017 Seattle, WA

GPA

4.0 / 4.0

- Took extra classes in Web Development, UX and UI
- Played in the hockey team for 2 years - won 1 tournament and 8 local games

EXPERIENCE

Junior Front-End Developer

Drouin

2017 - Present Vushttri - Remotely

Drouin is a website that connects skilled and verified instructors with people that want to learn how to drive.

- Completed 100 hours of training on Web Development with React
- Successfully performing maintenance on the front-end of the platform, which is based on HTML, jQuery and React
- Optimized UI load times and performance by up to 80% by fixing bugs
- Communicated with back-end developers for any front-end problematic issues

Front-End Development Intern

Nader

2015 - 2016 Seattle, WA

Nader is a Web Development agency that creates websites for small business owners. Their portfolio spans from simple 2 or 3-page websites, to online shops.

- Worked with team of 5 web developers and provided end-to-end solutions for 5 clients
- Collaborated with teammates and updated application versions using Git
- Used best practices in HTML and CSS to develop a static site based from a static image of a website design
- Performed daily operations and maintenance tasks to ensure 40 web pages under Nader are up-to-date and free of errors
- Developed cross-browser/platform HTML5, CSS and JavaScript to match design specs for complex page layouts while adhering to code standards

STRENGTHS

Eager to learn new skills

As a person who is starting out, I am constantly seeking for new ways to grow and expand my skill set.

Not afraid of failure

Strong believer in the mantra that we learn from our mistakes.

Time management

I always set aside time to plan my week and distribute the workload by days so that I can simultaneously meet deadlines and maintain my well-being.

Collaborative

Playing in my college's hockey team taught me everything there is to know about being a team player.

PERSONAL PROJECTS

FreeSlots

2017 - Present Seattle, WA

freeslots.seattle.com

FreeSlots is a website that lets Seattle-based freelancers/students know which coffee shops have vacant tables.

- Developed it in my senior year with 5 fellow students
- Since 2017, we have expanded the network to 50 coffee shops
- I worked on the front-end area, creating a simple interface featuring a map of Seattle obtained via Google Maps Embed API
- Increased the popularity of 10 small, family-owned, independent businesses
- Helped over 3 500 students and freelancers find a place to work/study/meet
